Dear Parents/Guardians:

Please be advised, that to be in compliance with new State Regulations, we will be holding four (4) brief **Lock-Down DRILLS** this school year. During the drills, which should last approximately 15 minutes, no one will be allowed to enter or leave our building. Your child will be safe and there should be no cause for alarm or concern. We will review Lock-Down procedures with our students to make certain they are comfortable with the drills and to ensure basic expectations are understood. We are notifying you about the upcoming drills in an effort to limit any unnecessary concern or worry on your part.

As always, you may contact us via email or phone with any questions or concerns.

Yours truly,

Daniel A. Johnson
High School Principal

Scott Benton
Middle School Principal
