

## 6<sup>th</sup> Grade Summer Reading Book List

Wilson Middle School

2017-2018

The following books make up your suggested summer reading list. For every book a student reads, he/she will receive an **extra credit** grade of a 100% in ELA, and each book will count toward the **25 Book Club** goal. Once the student has completed a book, simply complete the comprehension worksheet provided. If more books are read from this list, or if students choose to read other books at reading level that are **not** on this list, follow the guideline of the worksheet and complete on a separate sheet of notebook paper. Parents must sign all papers.

Although the majority of these novels are recommended by the American Library Association, I encourage parents and students to investigate and discuss book options together in order to make appropriate choices. If you have any questions, please email Mrs. Forsyth: [eforsyth@wilsoncsd.org](mailto:eforsyth@wilsoncsd.org)
